

**Tenure-Track Faculty Position
MASSACHUSETTS INSTITUTE OF TECHNOLOGY (MIT)
CAMBRIDGE, MA**

The Department of Aeronautics and Astronautics at MIT invites applications for a tenure-track faculty position with a start date of July 1, 2016 or thereafter. The department is conducting a search for exceptional candidates with a strong background in any discipline related to Aerospace Engineering, broadly defined. We are seeking highly qualified candidates with a commitment to research and education. Faculty duties include teaching at the graduate and undergraduate levels, advising students, and conducting research.

Candidates should hold a doctoral degree in a field related to aerospace engineering by the beginning of employment. The search is for a candidate to be hired at the assistant professor level; however, under special circumstances, a senior faculty appointment is possible.

Applications must include a cover letter, curriculum vitae, 2-3 page statement of research and teaching interests and goals, and names and contact information of at least three individuals who will provide letters of recommendation. Applications must be submitted as a pdf at <https://school-of-engineering-faculty-search.mit.edu/aeroastro/register.tcl>. Letters of recommendation must be submitted directly by the recommenders at <https://school-of-engineering-faculty-search.mit.edu/letters>.

To ensure full consideration, complete applications should be received by December 1, 2015. Note: Applications will be considered complete only when both the applicant materials and at least three letters of recommendations are received.

MIT is building a culturally diverse faculty and strongly encourages applications from female and minority candidates.
