

Connecting the global minerals, metals, and materials community.

Find Your Ideal Candidate: **Post-doc, Employee, or Faculty Member**

Attend the TMS2015 Meet the Candidate Poster Session

Candidates from various universities, national laboratories, and industry will be presenting posters showcasing their talents at this special session at the TMS 2015 Annual Meeting & Exhibition.

Open to all TMS2015 attendees, this special session lets you:

- Meet with candidates face-to-face prior to their technical talk
- Fast-track the recruitment process
- Network with Professionals

About the Posters:

Candidates will present posters that advertise their skills, including details on their primary research, as well as other research areas they are involved and interested in.

Sponsored by:

- TMS Young Professionals Committee

**Plan to attend the Meet The Candidate Poster
Session at the TMS 2015 Annual Meeting &
Exhibition and find your next star employee!**
