

About the conference:

Warm welcome to all the Professors, Researchers, Scholars, Exhibitors, Academics, and Intellectuals for the International Conference and Exhibition on Materials and Engineering.

The conference on **Materials Seoul 2020** is going to happen on **June 08-10, 2020** at **Seoul, South Korea**. Grab a golden chance to explore Exhibitions, Symposium, Association partnership, Media Partners, Workshops and Oral/Poster presenter.

Theme of the conference: Exploring new Insights and Innovative Technologies Using Materials and Engineering

Branch of Scientific Sessions: Materials for Energy Applications, Energy Harvesting Materials, Physics and Chemistry of Materials, Surface Engineering and Advanced Bio-Materials & Bio-devices, Nanomaterials and Nanotechnology, Polymer Materials and Technologies, Metals and Metallurgy.

Details Regarding Conference:

Conference Name: [International Conference and Exhibition on Materials and Engineering](#)

Conference venue: [Seoul, South Korea](#)

Conference Date: [June 08-10, 2020](#)

Conference theme: [Exploring new Insights and Innovative Technologies Using Materials and Engineering](#)

Conference website: <https://www.icematerialsci.com/>

Abstract Submission link: <https://icematerialsci.com/#submit-abstract>

Registration Link: <https://icematerialsci.com/registration>

Abstract Submission deadline: [21st January 2020](#)

Early-bird Registration deadline: [6th February 2020](#)
