

Condensed-Matter-2020

International Conference and Expo on Condensed Matter Physics

08-09 June, 2020 | Kuala Lumpur, Malaysia

Theme:

“To overcome the challenging conditions in the departments of Physics and Condensed Matter”

Important Dates

Abstract Submission opens on: 8th July 2019

Abstract Submission Deadline: 10th April 2020

Registration Opens: 15th July 2019

Early bird Registration Deadline (25% OFF): 28th December 2019

Standard Registration on/before: 28th December 2019

On Spot Registration on: 8th June 2020

Media Partners:

Original papers are welcome under the following tracks and other allied fields in Condensed Matter Physics

- Condensed Matter Physics
- Solid State Physics
- Nanotechnology
- Semiconductor-physics
- Graphene
- Computational-physics
- X-ray microscopy
- Quantum Materials
- Spectroscopy
- Superconductivity
- Magnetism
- Ceramic Materials
- Spintronics
- Topological-field-theory
- Theoretical Physics
