

**Assistant/Associate/Full Professor  
University of North Texas  
College of Engineering  
Department of Mechanical and Energy Engineering**

**Position:**

The Department of Mechanical and Energy Engineering at the University of North Texas invites applications and nominations for one tenure-track faculty position at the rank of assistant professor, associate professor, or full professor to start in Fall 2009. Preference will be given to candidates in the broad areas of controls, solid mechanics, or Mechanical Design.

**Rank and Salary:**

Salary commensurate with academic experience.

**Qualifications:**

At the assistant professor level, the candidate must hold an earned doctoral degree (or must receive the degree prior to the appointment date) in mechanical engineering, or a closely related field. Candidate must also demonstrate good oral and written communication skills.

At the associate or full professor level, must have at least 5 years of experience beyond an earned doctoral degree with a significant record of publications, extramural funding, as well as a record of teaching both undergraduate and graduate level courses.

**Responsibilities:**

Responsibilities of this position are to develop a research program in an area that will attract extramural funding, teach undergraduate and graduate courses, and perform service activities.

**The Department:**

The Department of Mechanical and Energy Engineering (MEE) was created in Fall 2006 and currently has five faculty members. The MEE department offers BS and MS degrees with plans to offer a PhD program. Currently the department has more than 200 students. Rapid growth is anticipated. More information can be found at <http://www.mee.unt.edu>.

**The University:**

The University of North Texas is an emerging national research institution located in the vibrant and rapidly expanding Dallas-Fort Worth metropolitan area and situated in close proximity to DFW International Airport. University enrollment is over 34,000 students with more than 6,500 graduate students. The university offers 257 undergraduate and graduate majors and concentrations.

**Application Procedures:**

Submit letter of application, complete curriculum vitae, a statement of teaching and research interests, and the names, mailing addresses, e-mail addresses, and phone numbers for three references (assistant professor) or five references (associate/full professor) to:

Dr. Sandra Boetcher, Chair of Search Committee  
Department of Mechanical & Energy Engineering  
University of North Texas  
1155 Union Circle #311098  
Denton, TX 76203-5017

Applications may be submitted electronically to [mee6514.search@unt.edu](mailto:mee6514.search@unt.edu)

**Application Deadline:**

Review of applications will begin February 1, 2009 and continues until the search is filled.
