

# 1<sup>st</sup> Southern California Mechanics Workshop

**Organizers:** Prof. Shengqiang Cai (UCSD), Prof. Lihua Jin (UCLA), Prof. Qiming Wang (USC)

**Southern California Mechanics Workshop is a one-day workshop, aiming to facilitate idea-exchange and collaborations among different mechanics research groups from southern California and other areas of the US. The workshop will be composed of three invited talks and multiple short sound bites (5 to 6 mins each).**

**The 1<sup>st</sup> Southern California Mechanics Workshop will take place at University of California, San Diego on Jan 18th, 2020. The workshop welcomes contributions to the sound bites of any topics related to mechanics research. The workshop will be free to all the attendees and lunch will be provided. Please register by clicking the following [link](#). The registration will be closed on Jan 11th, 2020.**

**Invited speakers are:**

**Prof. Kaushik Bhattacharya**

Howell N. Tyson, Sr. Professor of Mechanics  
Professor of Materials Science;  
Vice Provost  
California Institute of Technology

**Prof. Roger Ghanam**

Gordon S. Marshall Professor of Engineering Technology and Professor of Civil and Environmental Engineering  
and Aerospace and Mechanical Engineering  
University of Southern California

**Prof. Marc Meyers**

Distinguished Professor  
Nanoengineering Department  
Mechanical and Aerospace Engineering Department  
Materials Science and Engineering Program,  
University of California, San Diego
